The Pastor's Heart

Dr. Rodney McGlothlin
Senior Pastor

It will hit 105 today according to the weather man. The humidity was near 70% this morning. You would think that high temps and humidity would spark some thunderstorms in the area. My ten day forecast says no.

There is something we can do. We can pray. We can ask God to bless the land through the gift of rain. Until the answer comes we can be a blessing in two ways, both for the people and for the land. We can serve those who suffer the most, especially the elderly and the poor. Both will struggle with unusually high electric bills. Contact Good Samaritan to help. We can also conserve resources. At times like this we realize the need more than ever to be good stewards of all God has given us. The rains will come. Meanwhile, let us serve and conserve.

VBS starts next Monday. We still can use some help. It is an evening school in the cool of the day. Call Celeste, Joe, or the church office. There is a place for you to make a difference in the life of a child.

I am glad to be

Your pastor

 **Meals on Wheels...Update**

Many thanks to the 32 volunteers who delivered 240 hot lunches to residents throughout Brownwood the week of May 9-13. Hopefully, we bring a little joy to these shut-ins who need a friendly greeting AND a good meal. Our next delivery will be the week of July 18 - 22.
