Meals on Wheels....Update

It's great to report that 21 volunteers from our church delivered 186 meals during the week of July 18-22. Our ministry has been cut from 5 days a week to 3 days due to financial constraints. Our next week to deliver is October 3-7. We appreciate our drivers who were willing to brave that hot weather to minister to those who are homebound.

Thank you,
Molly Embrey

The Pastor's Heart

The start of another school year is here. I know that January 1 will bring 2012 into existence. But that does not feel like the New Year nearly as much as the beginning of the fall school term. This is when things feel most new and full of possibilities. Students make more resolutions this time of year than any other, promises to do homework, actually attend classes, and study for most tests. Everybody starts the semester with a 4.0 GPA. Everyone is on the Dean's list. By the end of the semester some will be on a different list in the Dean's office, but for now they are all equal.

Things are new in the church as well. Children promote to new classes. We begin some new adult units. The choir commences work on new music and I may even write a few new sermons. Folks are back in town and attendance climbs. There is new excitement in worship. I love this time of year.

We never have to wait for new years or new semesters. God is in the business of creating new things all the time. "Behold, I make all things new" (Rev 21:5). He makes new heavens and new earth. He creates new life in Christ. He creates the image of His Son in us.

We need to seek the newness that only Christ can bring. New life in us. New life in the church. New opportunity for ministry in our community. He is making all things new. In this time of newness I am glad to be...
